Education

Bachelor in Computer Engineering

Himalaya College of Engineering(Tribhuwan University)

Languages

- Most Confident In
  - Javascript
  - PHP
  - Java,Kotlin
  - C++
  - C
  - Bash Scripting
  - SQL
- Familiar with
  - CLisp
  - F#
  - Python
  - C#
  - Go
  - Rust
  - Solidity

Tools

- git
- expressjs
- mongoosejs
- three.js
- asyncjs
- Heroku
- Tensorflow
- CMake
- Allegro5
- Vue & Vuex
- AWS Services
- Docker

Personal Projects

Neighbours

Adaptation of Conway's game of life to a simple CLI game

- Creating the entire game in C++ using OOPs fundaments,with SOLID and DRY principles in mind
